BULLETIN - JUNE 2022

THORPENESS GOLF WINNERS

The Club's annual golf weekend to Thorpeness in Suffolk took place over the May Day bank holiday weekend. In lovely early dry, warm spring weather, 12 Rotarians together with Past President Richard Miller played for several trophies, with the principal trophy being the Thorpeness Tankard, for the best two scores on successive days. This was won by Past President Richard Power with a magnificent overall total of 69 points followed closely by Tim Lee with 67 points, who had the consolation of winning the Cruikshank Trophy for the two best gross scores.

Cont/d

On the final day, we played for the Secretary's Gaffe and this was won again by Richard Power together with Richard Miller with an excellent better ball score of 38 points. Special thanks are due to Past Presidents Adrian Keene for organising the golf and Clive Smith for the hotel and course arrangements, and everything went like a well oiled machine as usual.

KIDS OUT

A reminder that this year's Kids Out will be going ahead on Wednesday 8th June. This year we will be taking 170 children from Netherhall and West Gate Schools.

If you would like to help out on the day, please contact Mark Simpson.

RECENT RESIGNATIONS

Sadly we have had a number of resignations recently— Peter Collier (finding it too far to travel in each week), Vince Slark (self declared old age), Derek Sadd (health and mobility issues), and Roger Bowden (moving to live near his daughter). All are a loss to the Club but we thank them for their contribution and wish them well with their future plans.

SATELLITE CLUB

Why not visit the Satellite Club at one of their evening meetings. With many new members joining via the Satellite group it would give you the opportunity to meet them. Meetings are every other Wednesday and details can be found on the website and Facebook
