## BULLETIN - NOVEMBER 2022

### PRESENTATION OF CHEQUE TO THE ECTODERMAL DYSPLASIA SOCIETY

Immediate Past President, Scott Gallacher, chose the Ectodermal Dysplasia Society as his chosen charity for his year in office. He set an ambitious target of £10,000, and thanks to efforts of the Club we managed to exceed this and present a cheque for £10,128 to EDS.

Unfortunately due to travel problems on 3 September, our speaker Diana Perry, the CEO and Founder of EDS, was unable to join us in person but gave a very detailed explanation of ED and the work the Society is doing to irradiate it.

In Diana's absence President Nick presented the cheque to Scott.

## FOOD POVERTY FUND RAISING

As we all know Food Poverty is a real issue. We have our annual Christmas Hamper Appeal which all members can get involved in so many ways, ideally through a cash donation or by buying food items during your weekly shop.

Bank details for  
Donations:  
Rotary Club Leicester  
Sort Code 30 94 97  
Ac no. 02722147

Last month the Club held a Quiz Night at Brookfield. Some of those funds were sent via Rtn Annette Kenningham to a foodbank (CFWB) she runs. They distributed food parcels to children at Nether Hall School. These children had been identified as needing extra support over the half term break.

The food parcels contain ingredients and a menu for families to make healthy food together during school holidays.

## NEW MEMBERS

President Nick inducted two new members, Richard Narayan and Dhiren Raichura at a Satellite meeting in October. Since the formation of the evening group just over a year ago we have inducted 6 new members into the Rotary Club of Leicester and the impact on the local community is growing.

Rtn Annette Kenningham spoke to the group about the work undertaken by her Foodbank, CFWB.

Eric Hall presented on the End Polio Now Plus campaign with our walk a mile for Polio dance. Every one was asked to wear something purple, the End Polio Now colour, and Charis Betts bought along her purple carnival headdress and purple bandanas for others to try on.

Purple crocus corms have been given to Nether Hall School, CFWB Hubs community garden and Focus Group. Nick seeks volunteers to help with planting these.
